

## Section 401 Water Quality Certification Public Notices

The Central Coast Water Board is currently reviewing applications for the following project for certification under Section 401 of the Clean Water Act. We encourage public comments on the proposed work, which will be considered in the decision. You may submit comments in writing on any of these projects to:

Central Coast Regional Water Quality Control Board  
895 Aerovista Place, Suite 101  
San Luis Obispo, CA 93401  
Attention: 401 Coordinator

<b>Project Applicant</b>	Patty Forbes – Hollister Hills SVRA
<b>Applicant's Agent</b>	N/A
<b>Project Name</b>	Area 5 Sediment Basin Restoration
<b>Receiving Water</b>	Bonanza Gulch Drainage, a tributary to Bird Creek, which is a tributary to San Benito River
<b>City/County</b>	Hollister/ San Benito
<b>Public Notice</b>	6/1/07 to 6/21/07
<b>Project Description</b>	<p>The purpose of this project is to remove built up sediment from a sediment basin and repair eroded sections of the adjacent drainage.</p> <p>The project activities include: dredging and recontouring the sides of the sediment basin, and hardening the crossing at the entrance of the basin to allow equipment passage. Project also includes hardening the channel at culverts and road crossings, and stabilizing the banks around the existing erosion control features.</p> <p>Mitigations will include: revegetating temporarily impacted areas.</p> <p>A Categorical Exemption was filed for this project. State Clearinghouse File No. 2007048012</p>
